

## A) Relationships between algorithms

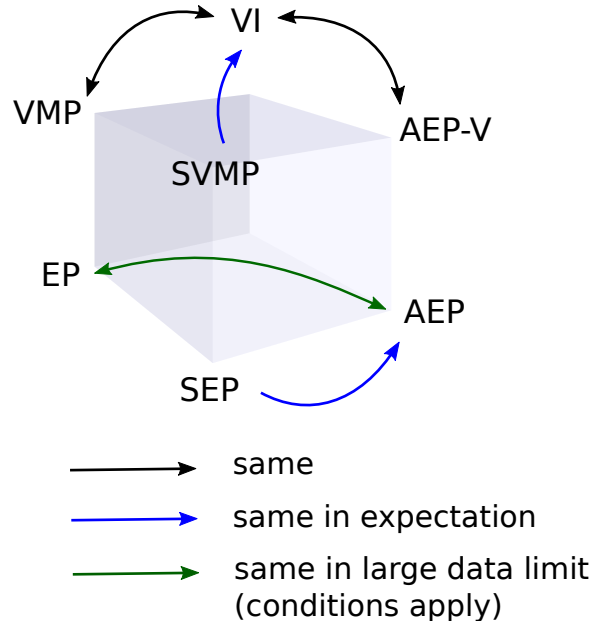

AEP: Averaged EP  
AEP-V: "Variational" Averaged EP  
EP: Expectation Propagation

par-EP: EP with parallel updates  
par-SEP: SEP with parallel updates  
par-VMP: VMP with parallel updates

PEP: Power EP  
SEP: Stochastic EP  
SVMP: Stochastic VMP

## B) Relationships between fixed points

VI: Variational Inference  
VMP: Variational Message Passing
